Instructions:

- Please complete sections 1, 2, 3, 4, 5, 6, 8, 10 & page 7 and read sections 7 & 9.
- All information must be typed or printed in ink.
- A separate request form must be submitted for each annuity contract.

Important Tax Information

We present this information based on our understanding of tax law. You may wish to consult with a tax or legal adviser because neither we nor our representatives can provide tax or legal advice.

Federal and state income tax withholding. Federal and some state tax laws require us to withhold income taxes from certain cash payments unless you elect out of withholding and in certain other circumstances. We are required to withhold federal income taxes and certain state income taxes from the taxable portion of any withdrawal from a non-qualified annuity, an IRA, a Roth IRA, a Section 403(b) tax-deferred annuity, or a Section 401(a) qualified plan. If your distribution is from a 403(b) plan or 401(a) plan and is an "eligible rollover distribution", we will withhold a mandatory 20% federal income tax withholding.

Estimated tax and possible penalties. If you elect to have no income tax withheld from your withdrawal, or if you do not have enough income tax withheld from your withdrawal, you may be responsible for payment of estimated tax. You may incur penalties if your withholding and estimated tax payments are not sufficient. You may be subject to IRS penalties including fines and imprisonment, if you fail to provide your correct taxpayer identification number (TIN), fail to report taxable interest or dividends on your tax return, or give false tax information. You may be subject to a 10 percent federal income tax penalty if you are under the age of 59½.

Taxpayer identification number and U.S. citizenship. You must include your TIN in section 2. If the contract owner is an individual, this is the Social Security number. If you are not sure which number to put on the form, please refer to the chart below. You must state whether you are or are not a U.S. person (including resident alien). If you are not a U.S. person (including resident alien), you must provide the country of which you are a citizen and submit the applicable IRS Form W-8 (BEN, ECI, EXP, IMY). In most situations, the IRS Form W-8BEN will be the appropriate IRS Form W-8.

Use this table to determine the taxpayer identification number to include in section 2:

For this type of contract ownership:	Give Social Security number of:
Individual	Individual
Joint (two or more individuals, including husband and wife)	Actual contract owner, if combined funds, the first individual on the contract
Custodian account of a minor (UGMA/UTMA)	Minor
Sole proprietorship	Owner of business
Revocable or Grantor Trust	Grantor
For this type of contract ownership:	Give employer identification number of:
Corporation	Corporation
Association, club, religious, charitable, educational, or other tax-exempt organization	Organization
Partnership	Partnership
Broker or registered nominee	Broker or nominee
Valid trust, estate trust, or pension trust	Legal entity (Do not furnish the identification number of personal representative or trustee unless the legal entity itself is not designated in the contract.)

Backup withholding. You must tell us if the IRS has notified you that you are subject to backup withholding because you did not report all your taxable interest and dividends on your tax return. **You are not subject to backup withholding if you did not receive such a notice from the IRS, or if the IRS recently told you that you are no longer subject to a backup withholding order.** If you have been notified that you are subject to backup withholding, please check the appropriate box in section 2. If the contract is held by a trustee as agent for an individual or by a grantor trust, the individual for whom the contract is held or the grantor must complete a substitute Form W-9 and attach it to this form in order not to be subject to backup withholding.

4. IMPORTANT INFORMATION ABOUT THE THIRD PARTY INVESTMENT ADVISOR ARRANGEMENT

Even though the annuity owner's Investment Advisor is taking advantage of American Skandia's IAnet service and service on line in connection with providing investment advice, the annuity owner and not American Skandia has hired the Investment Advisor. As such, I/We, the annuity owner, acknowledge that

PLEASE INITIAL EACH ITEM BELOW:

<input type="checkbox"/>	1. The Advisor that I/we have engaged is not acting on behalf of American Skandia but is acting on my/our behalf.
<input type="checkbox"/>	2. American Skandia is not responsible for any investment models or asset allocation programs my/our Advisor decides to follow or specific transfers my/our Advisor makes on my/our behalf.
<input type="checkbox"/>	3. Any fee that my/our Advisor charges is in addition to the fees and expenses that apply under the annuity contract.
<input type="checkbox"/>	4. My/our Advisor has provided me/us with a detailed description of the fees that he/she charges for providing the investment advisory service and has provided me with complete information as to how this fee will be deducted from my/our annuity contract.
<input type="checkbox"/>	5. My/our Advisor has informed me of whether or not he/she is also getting compensation in connection with the sale of the annuity contract, and has provided me/us with complete information regarding any such compensation.
<input type="checkbox"/>	6. The Investment Professional that sold me/us the annuity informed me of whether or not he/she is also getting compensation in connection with the sale of the advisory services that the Advisor is providing and has provided me/us with complete information regarding any such compensation.
<input type="checkbox"/>	7. I/We understand that because I/we have elected to retain the services of an Advisor, I/we am/are eligible to purchase a low charge annuity known as American Skandia Advisors Choice ® 2000 rather than the higher cost annuity that I/we have purchased. Purchase of the American Skandia Advisors Choice ® 2000 annuity would decrease my/our overall costs. (I understand that this may not be the case if I/we are required to surrender an annuity in order to purchase American Skandia Advisors Choice ® 2000, because there may be costs associated surrendering the annuity. In addition I/we may lose the value of guaranteed benefits that I/we had purchased under the other annuity).
<input type="checkbox"/>	8. I/We understand that should I elect to purchase American Skandia Advisors Choice ® 2000, my/our Investment Professional does not receive a commission for the sale of the annuity whereas with a higher cost annuity, my/our Investment Professional does receive a commission for the sale of the annuity.
<input type="checkbox"/>	9. My/Our Advisor has informed me that American Skandia does not verify that the amounts withdrawn by my/our Advisor from my/our annuity to pay my/our Advisor's fee are correct.
<input type="checkbox"/>	10. My/our Advisor has informed me/us that any withdrawal from the annuity to pay the investment advisory fee may result in adverse tax consequences, the imposition of a contingent deferred sales charge and/or a market value adjustment.
<input type="checkbox"/>	11. My/our Advisor has informed me/us that any withdrawal from my/our annuity to pay investment advisory fees will generally also reduce the level of various living benefit and death benefit guarantees provided under the Annuity .

5. FEE PAYMENT AUTHORIZATION (CHECK BELOW TO AUTHORIZE FEE PAYMENT FROM ANNUITY CONTRACT VALUE)

I/We hereby authorize American Skandia to comply with Advisor's requests to liquidate a given percentage or dollar amounts in the annuity to pay advisory fees ("Fees") under an advisory service agreement executed me/us through IA Net or otherwise. I/We acknowledge and understand that this authorization will permit American Skandia to liquidate a larger percentage or dollar amount than the amount required to pay the Fees since partial surrenders to pay such fees may result in the imposition of surrender charges, adverse tax consequences and/or a reduction in guaranteed benefits. I/we expressly acknowledge Skandia has no responsibility or liability to determine that instructions received from the Advisor are in compliance with such agreement or to inquire into the amount of the annuity value withdrawn. The fees will be deducted pro-rata from the funds in variable sub-accounts of the Annuity.

I/We authorize the Fee payments described above.

6. TAX WITHHOLDING AND ELECTION – For Non-Qualified Annuity Contracts Only

Tax withholding election.

I/We understand that liquidation of contract units to pay Fees for non-qualified Annuities are considered to be constructive income to the extent of any gain distributed and therefore may be subject to income tax withholding and an IRS early distribution penalty.

These distributions are not considered taxable from IRA, Roth IRA, 401(a) or 403(b) contracts.

The taxable portion of the withdrawal that you receive will be subject to federal income tax withholding and state income tax withholding, where applicable, unless you elect not to have withholding apply. The taxable portion of your withdrawal will normally be subject to federal income tax withholding at a rate of 10 percent. Your withdrawal will also be subject to state income tax withholding in certain states.

Please note that if you are a U.S. citizen, and your address of record is a non-U.S. address, we are required to withhold income tax unless you provide us with a U.S. residential address. If applicable, please include your U.S. residential address with this form.

By signing and dating this form and making no entries in this section, you can elect **not** to have any taxes (federal or state) withheld, but you will still be liable for payment of any taxes due. Please check the appropriate boxes if you want to have federal and/or state income tax withheld.

Withhold 10 percent **federal** income taxes on the taxable portion of my distributions.

(If you want to have more than 10 % withheld, please indicate in the box below.)

Percent _____ % (minimum 10 percent) or Specific dollar amount \$ _____
(Amount cannot be less than 10 percent of distribution.)

If you want to have state income taxes withheld from the taxable portion of your withdrawal, please complete the appropriate box(es) below. Please be advised that if your resident state requires mandatory withholding, we will withhold the default amount your state requires if you elect no withholding.

Withhold **state** income taxes on the taxable portion of my withdrawal based on the following criteria:

Percent _____ % or Specific dollar amount \$ _____

Note: The percent or dollar amount cannot be less than the minimum required by your state of residence. If the amount you selected is less, we will withhold the required default amount.

7. INVESTOR ALLOCATION AGREEMENT

If the Annuity is issued as a 401 funding vehicles, 403(b) custodial account, SEP/IRA account or IRA custodial account, I/We declare that the Fees shall be paid solely from the sub-accounts of the Annuity and that I/We have executed an agreement with the Advisor and Custodian which so states.

If the Annuity is issued as an IRA, SEP/IRA, or 403(b) Annuity, I/We declare that the Annuity is solely responsible for the Fees and that I/We have executed an agreement with the Advisor which so states. American Skandia will not report fee liquidations from IRA, SEP/IRA, and 403(b) annuities, but reserves the right to change this tax reporting position at any time upon written notice to the Owner and Advisor. Such a change will not alter future payments authorized under this form.
